Be Wary

The police have asked Neighbourhood Watch to alert everyone to the latest tricks and scams which are being used to steal your car, your possessions and your money.

Don't Invite Someone to Steal Your Car

- You leave your car with the engine running to defrost the windows. Someone jumps in and drives it away. Its your fault, so your insurance won't pay. This really happens. Often. Don't let it happen to you.
- You leave your van with the keys in whilst you nip in to buy a newspaper. Someone jumps in and drives it away. This was based on a recent newspaper report.
