

July Extra

# Its Scary...

*there are so many scams and tricks*

# Be Wary

The police have asked Neighbourhood Watch to alert everyone to the latest tricks and scams which are being used to steal your car, your possessions and your money.

*Do you get Tax Credits?  
If so beware of this scam.  
Its plausible, mean and nasty.*

- We previously printed a July poster, but this latest scam is so bad it deserves a special 'stop press' issue.
- Folk who claim tax credits because they are on low incomes, have young children or are caring for people with disabilities know that their tax credits are due for renewal by 31<sup>st</sup> July.
- So if someone 'phones up claiming to be from their tax office, volunteers a quick renewal and payment straight in to their bank account, the temptation to give account or card details is overwhelming. Don't!
- The bank account will be cleaned out if the details are given. Never give bank details to any unexpected telephone caller.
